

Firm Overview

**“IT STARTED WITH A DREAM TO COMBINE
PASSION AND PROFESSIONALISM ...”**

To do what we love and are passionate about in a dynamic, high-energy environment where innovation is embraced and encouraged, where we can partner with clients to provide creative and effective solutions, within the business landscape of ASEAN, which continues to expand and develop.

Our goal is to establish and develop client relationships based on trust, reliability and longevity. We have a team that is passionate about law and business solutions and which appreciates the importance of forging partnerships with our clients to provide the best and innovative solutions to help them achieve their business objectives.

We promote a professionally innovative, personalized approach where understanding, anticipating and achieving our clients’ unique goals is our primary focus. The dedication of a legal advisor and the professionalism of a large law firm are combined to provide a service that goes beyond expectations and can overcome any legal challenges that our clients are faced with.

All in all, we are proud to present ourselves as

**“AN EXCELLENT BUSINESS ADVISOR
WHICH HAS SECOND TO NONE LEGAL EXPERIENCE”**

rather than an experienced legal advisor who just happens to understand business well.

Experience

Capital Markets

We advise on a wide range of capital market offerings, representing clients in transactions across a range of industries, including initial public offerings (IPOs), debts securities offerings and stock exchange listings. We acted for and advised the issuers and selling shareholders or the underwriters, in domestic and providing ongoing advice to companies after its IPO.

Mergers & Acquisitions

Our team is experienced in acquisitions and dispositions in a wide range of industries. With in-depth industry-specific knowledge and experience, we have represented a variety of sectors, assisting them in all stages of both domestic and cross-border mergers and acquisitions. We can help you analyze and tackle all hurdles providing practical solutions to optimize and achieve your goal.

Dispute Resolution & Litigation

Our team consists of energetic litigators, who have acted before all levels of court, as well as in national and international arbitrations. We will work closely with you to identify and implement the most appropriate solutions, either by pursuing or defending litigation, arbitration or other alternative dispute resolution proceedings.

Investment-Related Laws

Our team has extensive experience in providing legal services to international clients investing in Thailand. We provide a full range of services including giving advice on determining the most effective investment structure to use and establishing an investment entity, as well as applying for BOI promotions, business licenses and permits.

Property and Infrastructure Funds and REITs

Our team has wide range of experience in advising sponsors, financial advisors, and underwriters in the formation and structuring of property and infrastructure funds and REITs, as well as on the full spectrum of securities, tax and regulatory issues typically associated with such transactions. Our lawyers represented both domestic and international deals.

Dispute Resolution & Litigation

Our team consists of energetic litigators, who have acted before all levels of court, as well as in national and international arbitrations. We will work closely with you to identify and implement the most appropriate solutions, either by pursuing or defending litigation, arbitration or other alternative dispute resolution proceedings.
