

Firm Overview

SCL Tax Consultants Limited (SCL Tax) provides a full range of Thai and international taxation and customs services. Our thorough understanding of Thai tax laws and practices helps our clients to achieve their business goals through the mitigation of adverse tax liabilities, which may arise within our clients' business dealings, and the maximisation of their tax benefits.

Our expert team of specialist taxation practitioners is receptive to the practical tax issues of doing business in Thailand. Together with our diverse experience and international dimension and networks, we are also in the best position to assist both listed and non-listed local and multinational corporations, as well as high net-worth individuals, plan tax structures across various tax jurisdictions.

We relentlessly aim to provide our clients with solutions which are not only optimal from a tax-efficient perspective, but also realistic and, most importantly, enforceable.
